
Permission Form For Use of Milpa the Goanna Logo And/or Related Materials

Thank you for your support in the elimination of trachoma in remote Indigenous communities in Australia using the Trachoma Story Kits and Milpa the Trachoma Goanna logo.

To preserve the future integrity of Milpa the Trachoma Goanna and all associated images and designs in the Trachoma Story Kits, we will retain artistic control over their use.

We want to encourage widespread uptake of the resources, and permission may be granted for not-for-profit trachoma or health and hygiene education programs seeking to use the artwork. This use of the artwork is set out in the *Milpa the Goanna Style Guidelines*.

There are two ways to access the materials:

- 1) To use the Milpa the Trachoma Goanna logo or any related design materials from the Trachoma Story Kits, (partially or in its entirety) please return this form to the Indigenous Eye Health Unit (IEHU) indicating where, how and for what purpose you plan to use them.
- 2) All adaptations, modifications or changes to the artwork, or new work including these designs will be made, upon request, by our original designer.

Please indicate in as much detail as possible when completing this form. Permission from the IEHU should be received prior to work commencing on any project seeking to make use of the design. If you have any questions or wish to discuss your request, the IEHU can be contacted on +61 (3) 9035 8241.
