

CENTRE FOR HEALTH EQUITY

TO CHE HDR STUDENTS

CAREER DEVELOPMENT SEMINAR SERIES

With Visiting Academic

pizza wine/beer included

Date: Thursday, 29th June at 3.00pm

Venue: Room 410, 207 Bouverie, Carlton

Please come to our first session of a new career development seminar series that was proposed at the recent Annual Forum for CHE.

The first pizza and talk session will be held with Dr Pilvikki Absetz.

There will be an opportunity to ask questions and to discuss aspects of your own career and future plans. We are also be inviting former PhD students and mid-career people to talk about their career path.

Following this conversation, there will be an open discussion about the topics you would like to see at future sessions.

There will pizza, wine and beer for the afternoon.

Dr Pilvikki Absetz, PhD is a Research Director at the University of Eastern Finland, an Adjunct Professor of Health Promotion at the University of Tampere and the CEO and sole owner of Collaborative Care Systems Finland (CCSF), a consultancy that specializes in R&D in health promotion, disease prevention and disease management.

Please RSVP by Friday, 16th June to Ruth Hentschel at ruth.hentschel@unimelb.edu.au
