

# STORIES OF IMPACT AND RESILIENCE

FROM PEOPLE WITH DISABILITY

LOUIS M, VANUATU

*Sherem live experience lo ol planner mo policy maker lo ol important lukluk lo side blo ol need blo people wetem disability we oli affected through lo ol disisen blo olgeta lida.*

Mi wan woman wetem disability, mi kat physical impairment mo mi usum wheelchair. Mi mi live wetem family blong mi.

## BEFORE THE PANDEMIC

Lo 2017 oli katem leg blong mi. Mi mi kat wan kava bar mo every evening mi mekem kava mo kakae blong ol customers. Lo 2020 Tropical Cyclone Harold hemi distroyem kava bar blong mi and mi lusum business blo mi.

## DURING THE PANDEMIC

Family blong mi oli oright. Boy blo mi hemi work blo national government so hemi supportem mi financially. Mi mi needim wan man blo supportem mi and boy blo mi hemi kam stap wetem mi mo hemi lukaotem good mi time olgeta narawan oli no save mekem.

Mi filim ce mi bin cotribut lo society lo time blong pandemic from mi encouragem ol man

blong washem hand blo olgeta, and mi take kea tu long ol Bubu blo mi lo time we mama blo ol bubu blo mi I ko blo bornem bebe.

## AFTER THE PANDEMIC

Nowis life I kam hard bitim fastaem. Mi bin stap bem bottle water blo mi lo store lo 130vt be nowia price I ko antap long 190vt lo wan bottle water. Lo Local market price blo vegetabl stu I ko antap mo tu price blo Gas hemi ko antap.

*Writtem story ia hemi funded by Australian Government through lo Department blo Foreign Affairs and Trade (DFAT). Produce by VDPA mo Nossal Institute, University of Melbourne through lo CBM- Nossal Partnership. Hemia hemi ol thinkthink mo toktok blo man we I writtem story hemi no think blong Australian Government.*
