"Don't sugar coat it, don't make excuses"

Diabetes can cause blindness. Get your eyes checked YEARLY. Ask your local clinic about making an appointment today.
Diabetes is a major cause of vision loss and blindness for Aboriginal and Torres Strait Islander people.

If detected early, up to 98% of vision loss from diabetes can be prevented.

If you have diabetes, make sure to get your eyes checked every year.

An eye check is quick and easy.

Ask your Aboriginal Medical Service or local clinic about an appointment today.
