- Open Access Funding Scheme
- Travel Support Scheme

Eligibility Criteria:

- Staff member or PhD student in the Centre for Health Equity
- Do not have access to any other funds for this purpose
- Have approval of Supervisor

Research topic: _____

Your role in the project: _____

Lead Investigator of Project (if other than you): _____

1. On the lines below briefly summarise why you are seeking support (max 300 words):

2. If granted, how do you anticipate this funding will benefit your research project?

Budget

3. Provide a budget of the expenses you are applying for in the table below.

Expense (provide detailed breakdown)	Total cost	Amount received from other sources	Amount requested in this application
Total costs			

4. On the lines below, provide a brief justification of each of the items requested in this table, and information on any amounts received.

Required documentation – please note that your application cannot be considered unless all supporting documentation relevant to your application is attached

5. Please tick and attach any of the following (if relevant to your application):

- charges for open access publication
- details of the publication and its status
- conference details, including registration and accommodation costs and submitted abstract
- confirmation of acceptance of abstract (if received)
- other documents you consider to be relevant

Other sources of funding for Project

6. A) By what agency is your current project funded, if at all?

B) Explain why you are seeking funds from the CHE Staff Research Funding scheme rather than programs funding your research

C) Have you applied to other sources for funds, if so who and with what success? (include dates and amounts)

D) If you previously received funding under the CHE Staff Research Funding Scheme, what research outputs have you produced as a result?

Supervisor approval
